

RWM RouteSmart™ Users Day

17 September 2009, NEC, Birmingham

Sponsored by Integrated Skills, ESRI UK and Bartec Systems

Concourse Hospitality Suite 33 (located in the Atrium near the entrance to the 2009 Recycling & Waste Management Show (Halls 17, 18 and 19))

A day of presentations and networking opportunities designed for RouteSmart Users to learn about new RouteSmart software developments and applications and to share experience with other Users and consultancy clients.

Delegates are encouraged to ask questions and raise points of interest at any time, making the presentations as interactive as possible. Presenters and other members of Integrated Skills' technical team will be available to discuss and address specific issues throughout the day.
